

# The Sam and Bella Sebba Charitable Foundation

- **Loren Treisman, CEO:** Formerly Indigo Trust, CEO L'Arche, Donor and Charity Consultant
- **Mission:** To create a more humane society by promoting social justice and protecting human rights
- **Geography:** Work in UK (Migration/VAWG) and Israel (Human/Palestinian rights & social justice)
- **VAWG Focus:** Legal advice, marginalised groups (Black, racially minoritised, LGBTQi, disability), prevention, Family Courts

# Transformative Grant-Making

## Funding Models

- **Seed Funding:** For new organisations addressing unmet need
- **Piloting:** Testing new ideas with potential to scale/replicate
- **Influencing:** Funding work that drives systemic change

## Our Approach

- Core and multi-year funding preference
- Small orgs, hard to fund issues, wide geographic spread
- Funding work that "shifts the dial"
- Open to risk and providing grantee support
