Embracing Change

Creating safe spaces for women to have the conversation that changes everything.

A woman with long, dark braids is looking down at a document. She is wearing a brown ribbed cardigan over a white and black striped shirt. She has a gold cross necklace and a gold hoop earring. The background is a plain, light-colored wall.

Vision Boarding

A space to stop, reflect, and think about themselves again.

EmpowerEd

Building confidence, skills and purpose — week by week.

A photograph of three women in a meeting. One woman stands in the center, holding a microphone and speaking. Two other women are seated at a table in front of her, listening attentively. The scene is set in a brightly lit room with white walls and recessed lighting. A dark red semi-transparent banner is overlaid at the bottom of the image, containing white text.

This is what change looks like.

From silence — to finding her voice.
